

QMS Job Aid: HR Service Center Reviewer Role

The Quality Management System (QMS) is a tool that assists OHRM in enhancing HR data quality. QMS allows users to route data errors on Personnel Action Requests (PARs) to the Processing and Personnel Records Management Center and the Benefits and Retirement Center for resolution. Future versions of QMS will assist OHRM in identifying, tracking, and resolving Enterprise Human Resources Integration (EHRI) errors.

QMS Site: <https://hrqms.gsa.gov/Home/Warning>

Create a Corrective Action

1. Log into QMS. From the QMS homepage, Click **Agree and Login**.
2. Create an action by clicking on **Create Corrective Actions**.

The screenshot shows the QMS homepage. At the top, there is a dark blue header with the QMS logo on the left and navigation links 'Home | User Guide | candicelschlicht | Log Out' on the right. Below the header, there are two buttons: 'Create Corrective Action' (highlighted with a red box) and 'Manage Corrective Actions'. Below these buttons, it says 'Your QMS Role: Service Center Reviewer' and 'Your Organization: Staff Offices Service Center'. In the center, there is a section titled 'Your Notifications' with two buttons: 'Mark All As Read' and 'Delete All'. Below this, there is a box titled 'HRQMS - Corrective Action Created (135)' with a 'New' button, an edit icon, and a delete icon. Inside this box, the following information is displayed: 'Corrective Action ID: 135', 'Updated on: 5/6/20', 'Employee: 00018519-Candice Schlicht', and 'Date Created: 5/6/20 11:40:32 AM'.

3. Enter the details of the request:
 - a. Enter the employee's name in the **Select Employee** field. Start by entering the employee's last name, this will be the employee who the HR action needs to be corrected on. All GSA employee names will auto-populate. Select employee name and employee ID number. Be sure

to check the Show Inactive Employees if the corrective action is on an inactive employee.

- b. In the Select **NOA field** select the appropriate NOA for the corrective action from the auto-populated list. Enter the **Effective PAR Date**, which is the effective date the original PAR was entered. Be sure to check the Payment Discrepancy box if the corrective action involves a payment discrepancy. In the **Error Categories** selection box, check one or more of the categories of the error.
 - i. If the Error Categories of: **FEGLI or Retirement Plan** are selected it will route to a Benefit and Retirement Reviewer
 - ii. If any of the other Error Categories are selected it will route to a Service Center Reviewer or PPRM Reviewer for resolution
 - c. In the Select **Request Type** choose the type of corrective action request needed:
 - i. Correction Action – PAR action requires update or correction
 - ii. Cancellation of Action – Request cancellation of a PAR
 - iii. Retro Action – Select this option if you are submitting a late PAR in HR Links (for example, a missed career ladder promotion or a missed conversion to career appointment). You also need to generate the missed PAR in HR Links; however, submitting this request in QMS alerts PPRM that there is a retroactive action that needs attention.
 - d. **Enter Correction Details** in the comments box
4. In **Select Action** select:
- a. Save As Draft- if you require further investigation or are not ready to route action
 - b. Submit for Resolution - If ready for corrective action to be processed by PPRM
 - i. Will route to a PPRM Reviewer if a non-Retirement and Benefits Error Category was selected in step #3
 - ii. Will route to a Benefits and Retirements Reviewer if a Retirement and Benefits Error Category was selected in step #3
 - c. Submit for Review - for review or assistance with action detail by another HR Service Center Reviewer
